Issue 2, January 13, 2012

Well, the Athens Conference is history. We had a huge turnout – almost 600 attendees, good weather and fantastic classes.

But, just because we have finished one great effort, doesn't mean that we're through!

In the next few weeks, we have the six week PCO course in Marietta, the Dahlonega Road Show and the Add a Category Event.

We've attached information about the six week PCO course and the Add a Category Event. Dahlonega information will be available later next week.

But what's the next thing headed our way –

Legislative Day at the Capitol. On Wednesday, January 18, GPCA will be hosting a barbecue luncheon for the legislators on the first floor of the State Capitol. We'd love to have you join us. Call your legislator and invite them to come.

(PS If you have a good relationship with a legislator, let us know. This could be really helpful one day!!)

We look forward to seeing you soon!
